Long live the immortal Republic of Iraq

تحيا الجمهورية العراقية الخالدة

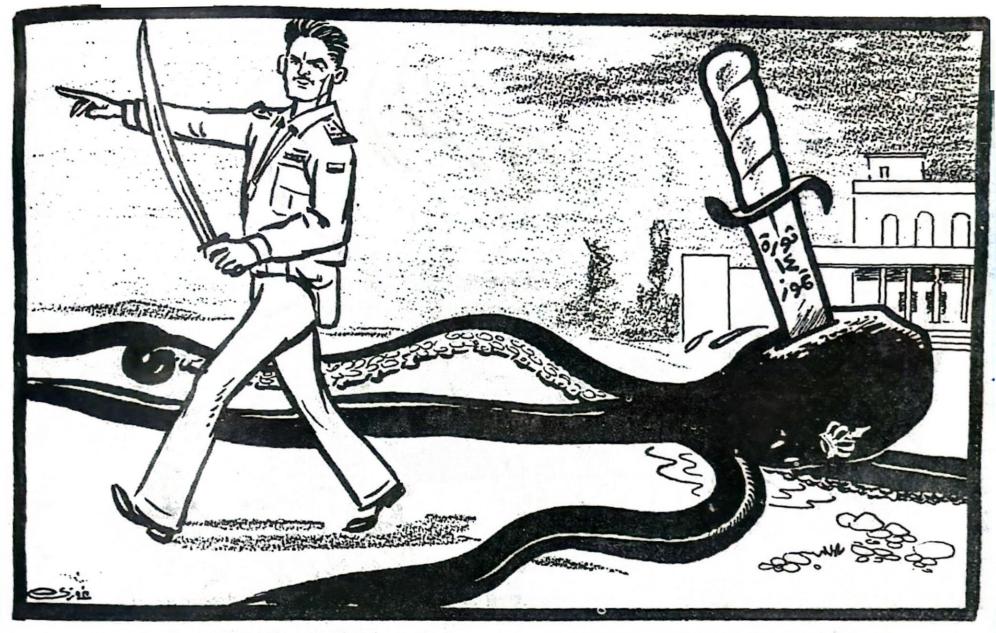

Long live the genuine unity of the Iraqi people.

تحيا الوحدة العراقية الصادقة

Long live the glorious Arab nation.

تحيا الامة العربية المجيدة

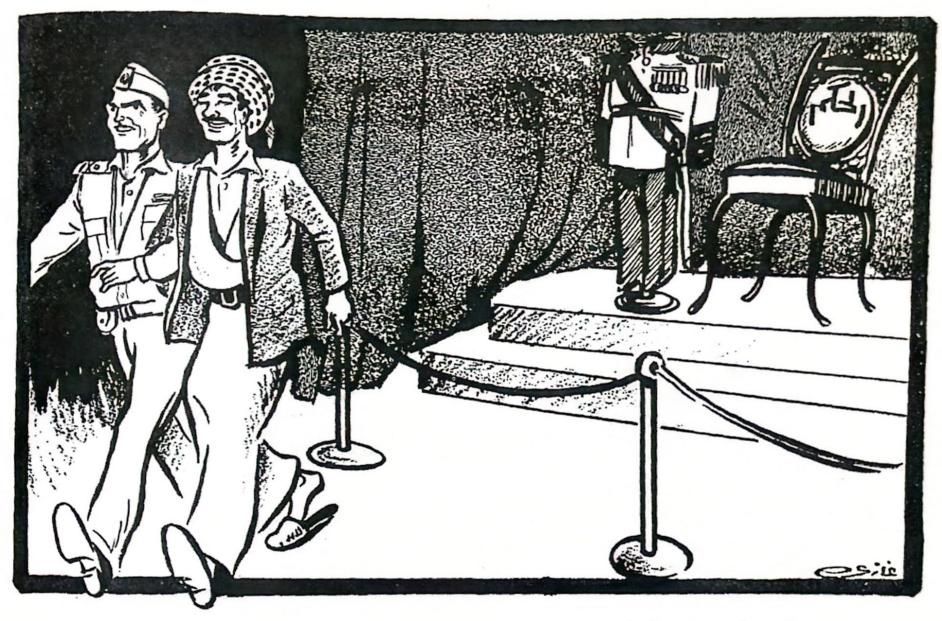

We have done away with that evil situation, and we are well on the way to uproot what is left of its traces.

لقد قضينا على ذلك الوضع الشرير ونعن في طريقنا لاستئصال ما بقى من آثاره

History will condemn those who besmeared themselves with disgrace, shame and treachery, and those who turned traitors against their own people and country. ان التاريخ سوف يلاحق اولئك اللين تلطخوا بالخزى والعاد ، تلطخوا بالخيانة ، اللين خانوا شعبهم ووطئهم

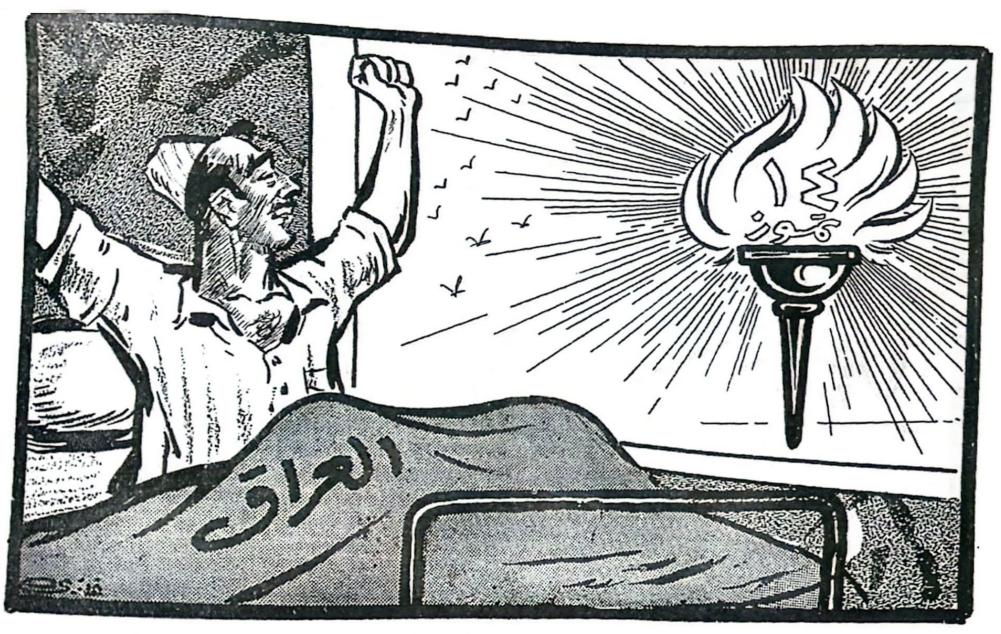

Be sure that I am an ascetic in everything, indifferent to the wish to govern, exalted and lucrative positions do not attract me, nor do the illustrious names; but what interests me is that I may sacrifice myself in accomplishing what is best for the people.

ثقوا باننى شخص زاهد فى كل شى، ، زاهد فى الحكم ولا تهمنى الناصب البراقة أو الاسما، اللامعة انما يهمنى أن أفنى فى سبيل منفعة هذا الشعب

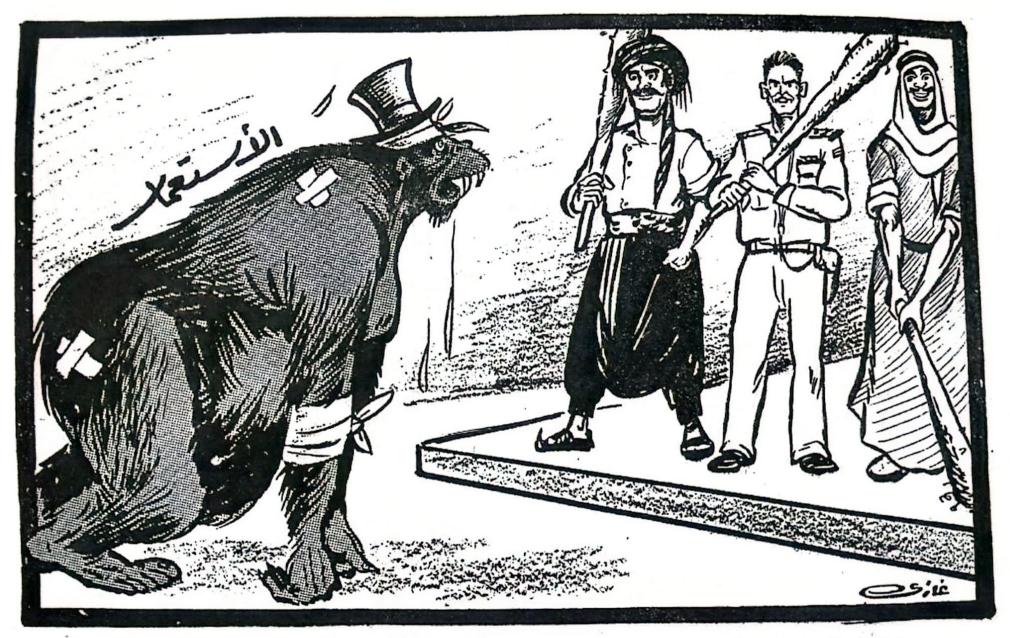

By Imperialist, we mean every avaricious foreigner who ruled over our country, controlled and directed our march and progress, disposed of our wealth, and conscripted into his service, for his own interests and gain, the sons of this country.

اننا نقصد بالاستعمار كل اجنبى طامع كان يحكم بلادنا ويتصرف في مشيئتنا وفي ثروتنا ويسخر افراد هذا الشعب لمصلحته

The people have awakened, liberty has apeared on the horizon, and is hovering in the skies over this country; and we have begun to enjoy its refreshing shade.

When Imperialism recovered from the shock of our blow struck at it by our Revolution, it began again to conspire against the existence of this country. But they shall have to halt where they are. انالاستعمار عندما صحا منالفربة التي وجهناها اليه في ثورتنا أخد مرة اخرى يحاول التصدي لـكيان هذا البلد ٠٠ لكن الاستعمار سوف يقف عند حدم

I agree with you that there should be no liberty for the enemies of the people; however; these enmies of the people are well known to the Authorities, and should be left to be dealt with by the law alone.

- اننى متفق معكم بان لا حرية لاعداء الشعب ان اعداء الشعب تعرفهم السلطة ويعرفهم القانون

We are the guardians and protectors of Arabism, and Iraq is its homeland.

نحن حماة العروبة ١٠٠ والعروبة موطنها العراق

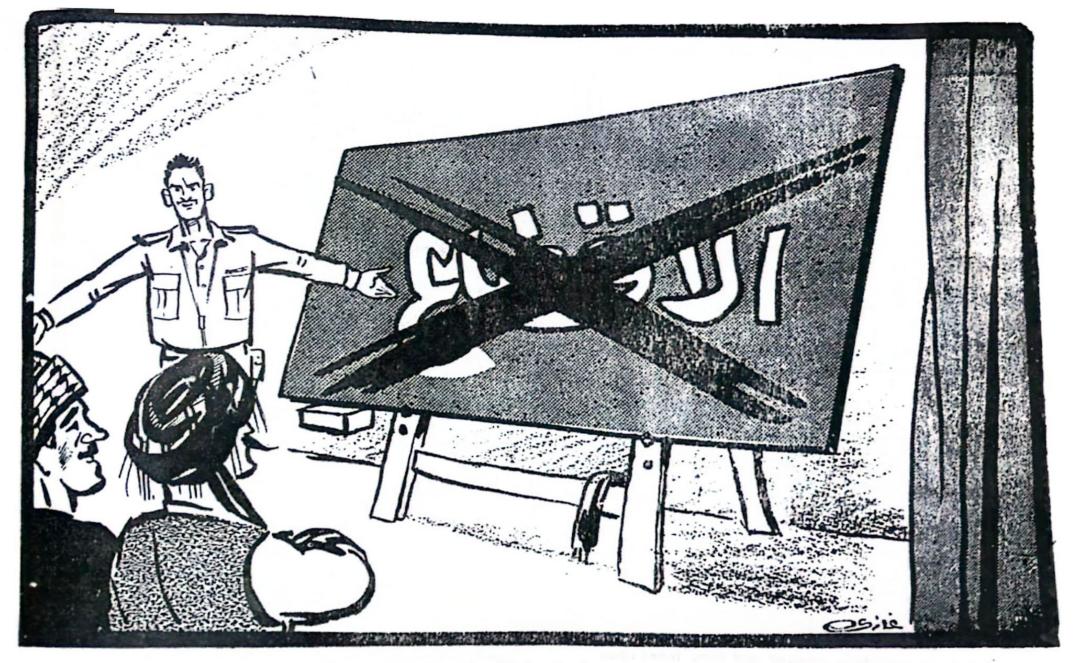

I feel inclined to be merciful, and do not incline to cruelty; in spite of the fact that we have power enough to crush every anarchist element who dares to do harm to the sons of our people.

اننی امیل الی الرحمة ولا امیل الی القسوة فلدینا منالقوی ما یمکننا من سحق کل عنصر فوضوی یتصدی لابنا، هذا الشعب

I have personally resolved and have taken upon myself that we shall never squander the country's wealth on hired journalists, but must spend it in the interests of our poor and wretched people.

غير اننى شخصيا ١٠٠ ايها الاخوان آليت على نفسى أن لا أبدد ثروة البلد الى اصحاب الصحف الماجودة بل اصرفها على هذا الشعب البائس السكين

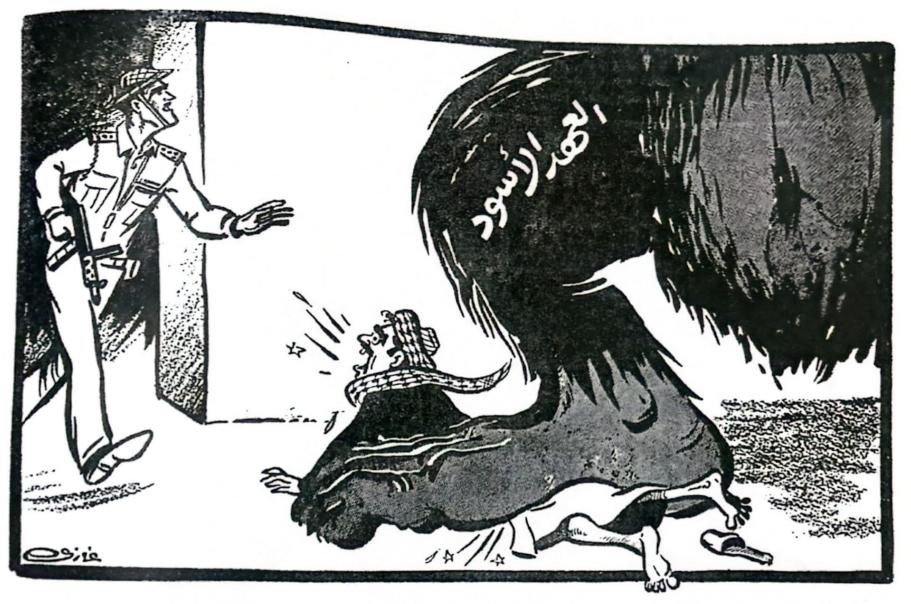

We have, after all, got rid of the feundalism in our country.

لقد تخلصنا من الاقطاع في بلدنا

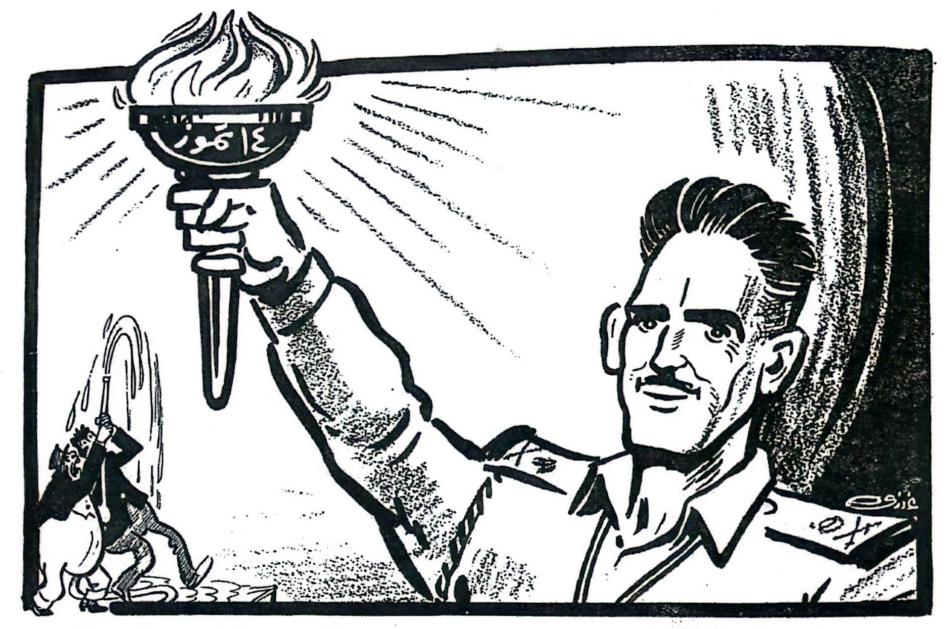

At the present time a policeman-like is brother the soldier-has gained the affe-

الآن اصبح الشرطى معبوبا كأخيه الجندى عند

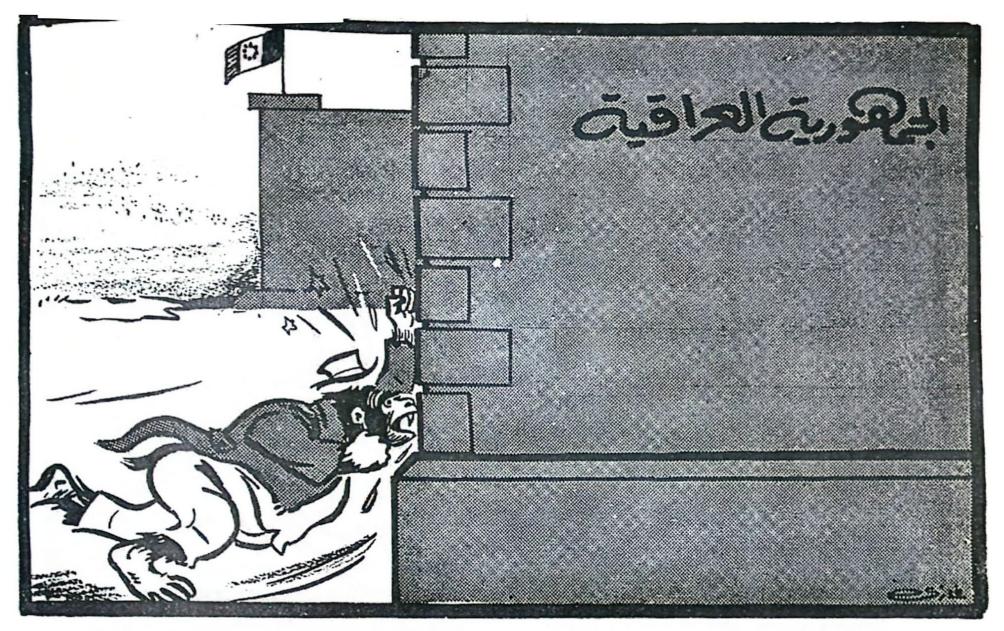

In spite of the fact that we were in possession of strength-strength of the Army-we did not, however, like to interfere in the affairs of the country before the 14th July 1958, and until we saw that the tyrants and their armies of oppression began crushing and trampling upon every true patriot in the country.

[ما كان بودنا نعن اللاين نملك القوة ، قوة الجيش ان نتدخل في أمر البلاد قبل ١٤ تموز ١٩٥٨ لو المجيش ان نتدخل في أمر البلاد قبل ١٤ تموز ١٩٥٨ لو المم نر بوادر الظلم وجيوش الطغينان تسحق كل مخلص في هذا البلد]

Those who aggressed upon me could not succeed in extinguishing within me the embers which pulsate with the spirit of the Revolution, and which shall certainly continue to glow.

ان الدين اعتدوا علينا لم يتمكنوا من اطفاء هــده الجلوة التي تنبض بروح الثورة والتي تستمر حتما

This Republic rests on firm foundations, and its existence is firmly established however much the liars and agitators may strack it. It is a state of truth and right.

ان هذه الجمهورية قد أصبحت راسخة وكيانها ثابت مهما يتطاول عليها دعاة الباطل فانها دولة حق

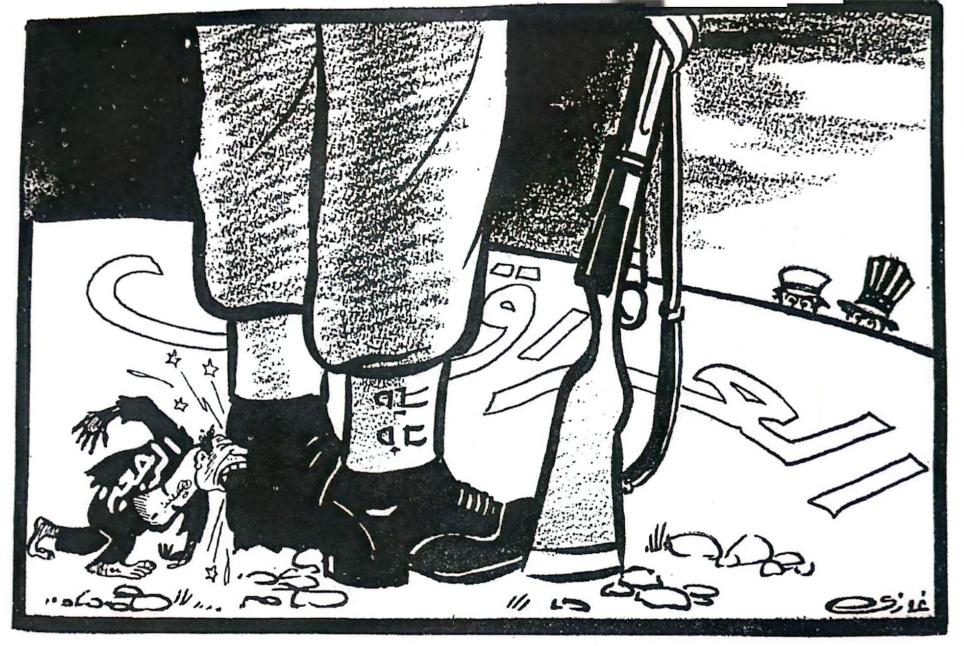

If you will fight among yourselves, Imperialism will be the gainer, and if you wound each other, you will be the losers.

اذا اقتتل بعضكم فالاستعمار يكون هو الرابع ، اذا جرح بعضكم فانتم الخاسرون

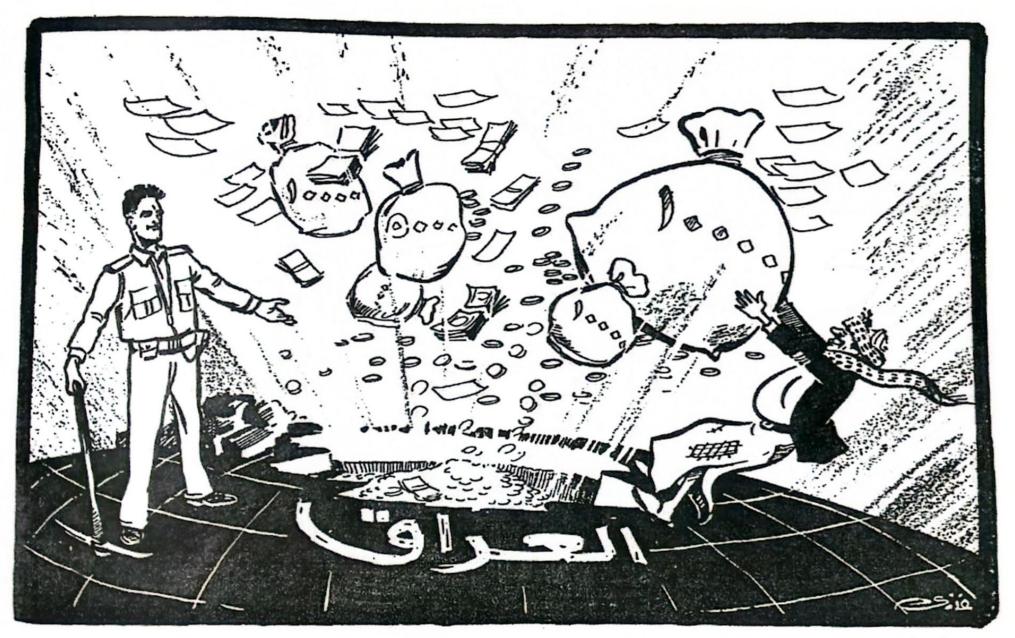

Our policy is based on following the principle of positive neutrality without alignment with either camp-Eastern or Western.

وسیاستنا هده تقوم علی انتهاج خطه العیاد الایجابی وعدم الانحیاز لأی من المسكرین الشرقی او الغربی

In this country, a reactionary means every group, every person and every quarter which conspires against the safety of the immortal Republic of Iraq.

معنى الرجعيسة فى هسلا البلد: كل فئة وكل شخص وكل جهة تتاتمر على سلامة الجمهورية العراقية الخالدة

Our country's soil will be ripped open to disclose the hidden treasures and enormous wealth, which will be spent for the good of the people.

سوف تتفتق هذه التربة عن مكنونات وخزائن وثروات طائلة تصرف على أبناه الشعب

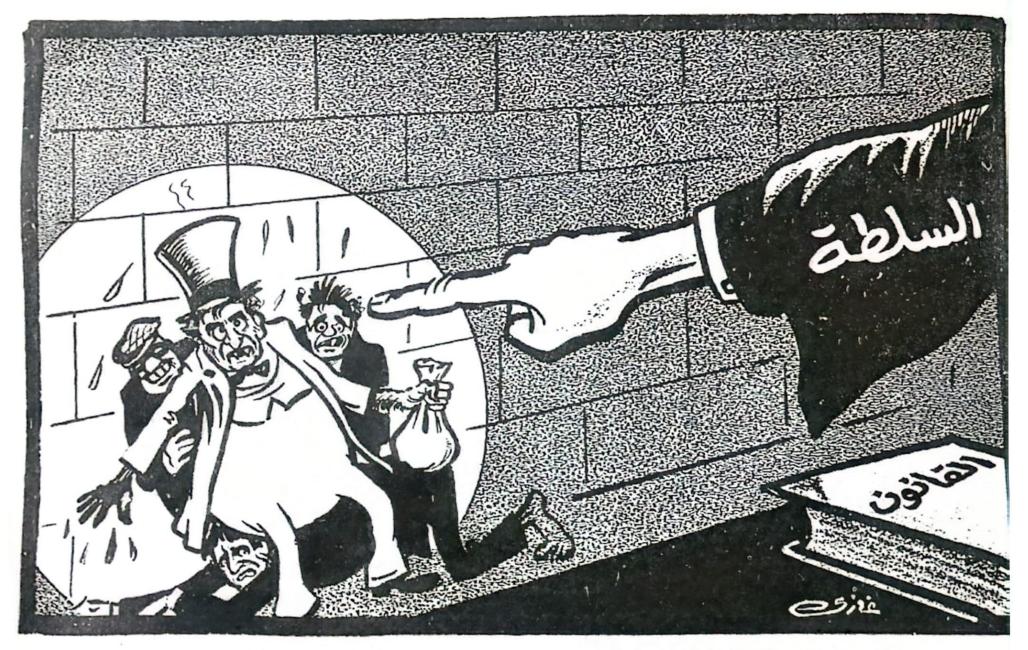

The more we are subjected to attacks through radio broadcasts, and the more they intrigue against our country, the more we get busy-heart and soul-with our projects, and go forward to achieve the benefits from this Revolution.

كلما هوجمنا باذاعة ٠٠ وكلما هوجمنا بدس على هلا البلد ، كلما انصرفنا بكليتنا الى احياء مشاديمنا واللفى فى منجزات ومكتسبات هذه الثورة

I hereby proclaim to the world at large that ours is a neutral and peace-loving State, which does not aggress on anyone. It shall, however, never acquie see in any aggression on it, and shall stick to its rights. اننى اعلن للعالم اجمع باننا دولة محايدة مسالة لا تعتدى على احد ولكنها لا تقبل بالعدوان مطلقا وتلتزم بحقوفها

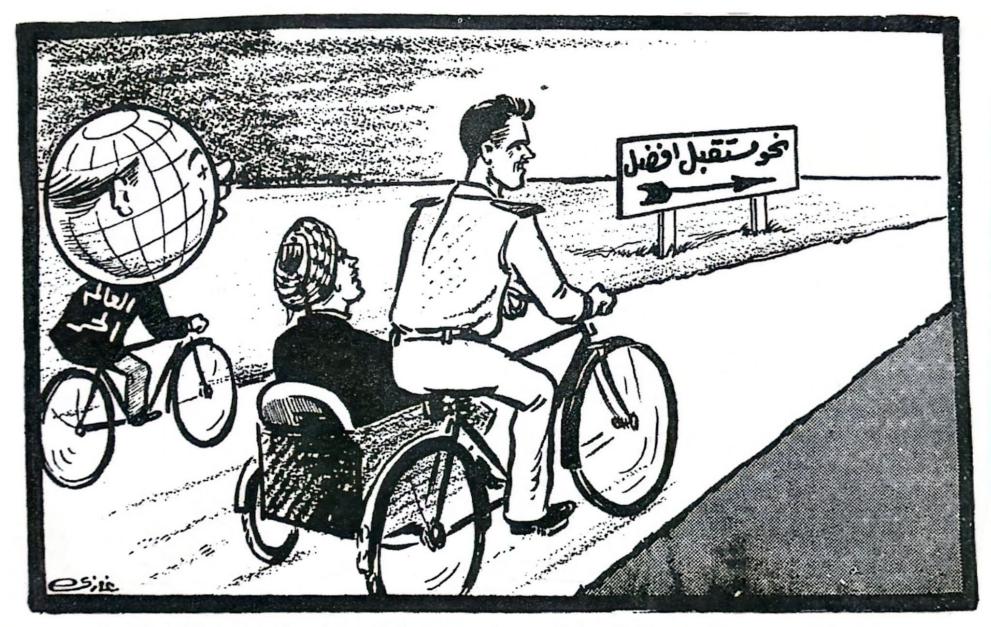

The enemies of the people are known to the Authorities, and the Law knows them as well.

ـ ان اعـداء الشعب تعرفهم السلطة ويعرفهم القانون فقط

Sons of our people! do not listen to intrigues, agitation and empty talk.

ابنا، شعبنا لا تستمعوا الى الدس والتهريم والكلام ،كفارغ

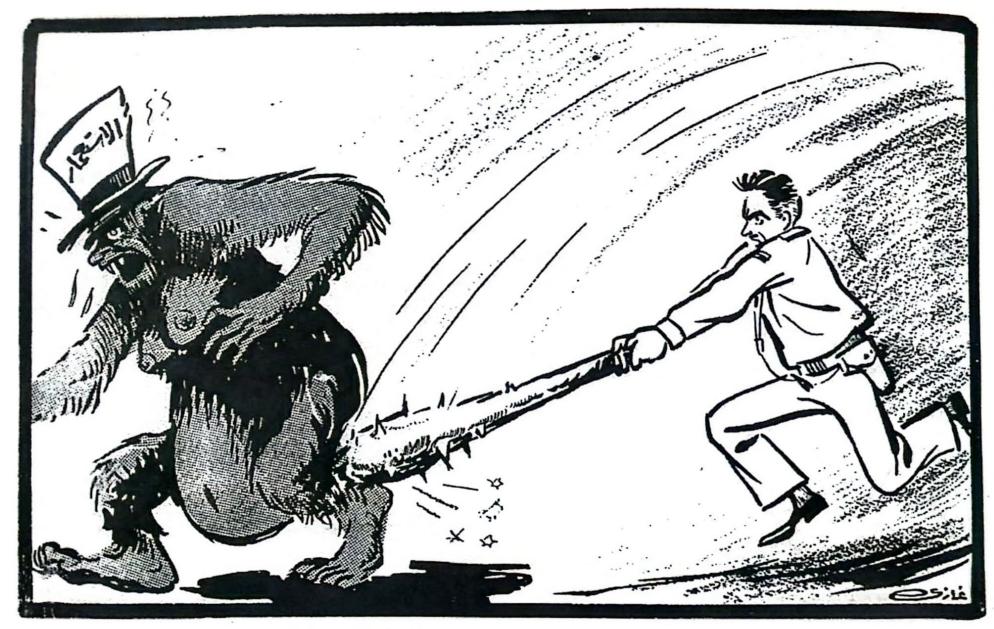

Our vehicle is proceeding along with the convoy of the free world, in one and the same direction, except that this vehicle is bound with the interests of this country. We shall not proceed all in one vehicle; each of us has his own. ان عجلتنا تسير مع ركب العالم الحر باتجاه واحد غير ان هذه العجلة ترتبط بمصلحة الوطن واننا لا نسير في عجلة واحدة ولكل منا عجلته

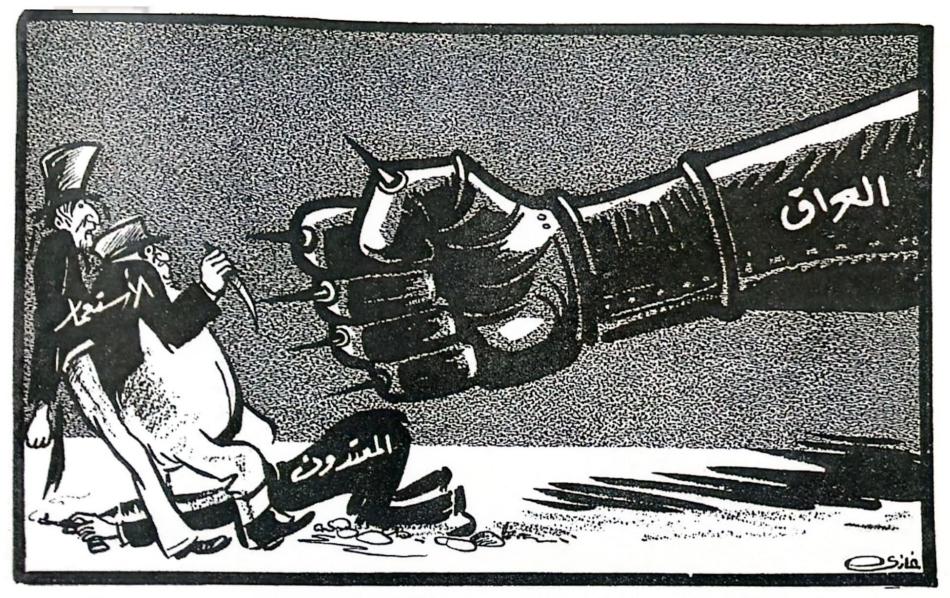

We hate aggression-and we shall crush it.

اننا نكره العدوان ٠٠ ونسعق العدوان

We are struggling to save ourselves from the Imperialists, and the avaricions who covet our country, and shall go on struggling to chase them out, wherever found.

نكافح فى سبيل التخلص من المستعمرين ومن الطامعين فى بلادنا ونكافح فى سبيل مطاردتهم اينما كانوا .

We are all one group, cemented together, one cooperates with the other, we shall be as strong as iron and steel against any aggressor on our country. اننا كلنا كتلة واحدة متراصة يتعاون بعضنا مع البعض الآخر ، ونكون قوة حديدية فولاذية تجاه كل غاشم وكل معتد على هذا البلد
